There are 17 TRI reporters in Midland County, Texas

I originally did my search on Midland - the city, 2001 and forward. This time I went into a different data base this time I searched on Midland, the county

Found one facility only, Big Tex Trailors SOUTH that reported waste management activities of chromium, and only in 2007 and 2008.

| | | |
|---------------------------------|---|---|
| 79765BGTXT12400 | View Facility Information | BIG TEX TRAILERS MANUFACTURING INC SOUTH |
| 79765BGTXT951CU | View Facility Information | BIG TEX TRAILERS MANUFACTURING INC. NORTH |

I briefly scanned some of the other facilities in Midland County, not all 17, but a handful that had the highest # of chemicals reported, but none showed any chromium.

That's it. I would look for at Big Tex or some other non-TRI reporter for there just isn't any chromium reported out there.

Best,
Mort

Subject: West CR 112 Groundwater (A6R6) - Release(s) of Chromium, Specifically Hexavalent Chromium, In Midland County, TX

Mort,

Thanks for the info.

TRI release information prior to 2001 is important. We believe the initial chromium release occurred

approximately 25 years ago. We believe this because of the contaminated groundwater plume's length.

Please let me know what "DC" says about the availability of TRI information prior to 2001.

Bob

Sorry Bob, there are no TRI Reporters in Midland from 2001 - 2008 that have reported chromium or chromium compounds

For some reason my program doesn't have 1988 - 2000 data together anymore. Have written DC to ask why.

| 75069NCRW | CHROMIUM | ENCORE WI | 1410 MILLW | MC KINNEY | Texas | 75069 | 2007 | 20 |
| 75069NCRW | CHROMIUM | ENCORE WI | 1410 MILLW | MC KINNEY | Texas | 75069 | 2008 | 20 |
| 76667CRRY | CHROMIUM | CARRY-ON | 931 INDUST | MEXIA | Texas | 76667 | 2007 | 6 |
| 76667CRRY | CHROMIUM | CARRY-ON | 931 INDUST | MEXIA | Texas | 76667 | 2008 | 5 |
| 76065CHPR | CHROMIUM | CHAPARRAL | 300 WARD R | MIDLOTHIAN | Texas | 76065 | 2001 | 144 |
| 76065CHPR | CHROMIUM | CHAPARRAL | 300 WARD R | MIDLOTHIAN | Texas | 76065 | 2002 | 146 |
| 76065CHPR | CHROMIUM | CHAPARRAL | 300 WARD R | MIDLOTHIAN | Texas | 76065 | 2003 | 99 |
| 76065CHPR | CHROMIUM | CHAPARRAL | 300 WARD R | MIDLOTHIAN | Texas | 76065 | 2004 | 107 |
| 76065CHPR | CHROMIUM | CHAPARRAL | 300 WARD R | MIDLOTHIAN | Texas | 76065 | 2005 | 152 |
| 76065CHPR | CHROMIUM | CHAPARRAL | 300 WARD R | MIDLOTHIAN | Texas | 76065 | 2006 | 122 |

Remember, there are specific requirements that a facility has to meet to come under the jurisdiction of EPCRA 313. So someone could be releasing chromium, but at the same time, not required to report.

Best,
Mort
